Re: Branch Location at 1430 28th Street, Sacramento, California

To our Valued Customers,

Many of you may know that we have had two locations serving the Central Valley for over 40 years. Our main office and warehouse, which is located in downtown Stockton, has been in operation for over 70 years. In the 1970's we opened the branch in Sacramento and throughout the years we have had the pleasure of serving the greater Sacramento area.

With the age of the fax machine, internet, email, and overnight courier services we have made the decision to close the Sacramento location and service the needs of our customers out of our Stockton location. Effective October 30, 2009 the branch at 1430 28th street will be closed. We feel that pooling our resources to one location, with the combination of our experienced and knowledgeable personnel and large inventory, you will see improvements in our service to you, our valued customers.

Our Stockton store is located at 924 E. Church Street, in Stockton. We are open Monday through Friday, 7:30 am to 5:00 pm (we are also open during the noon hour). Our warehouse is fully equipped to meet your hardware needs and our staff is prepared to make this transition as convenient and seamless as possible.

We have listed our contact information below for your reference. We welcome you to contact us should you have any questions or concerns regarding this transition. We appreciate your patronage and support and look forward to a successful and long term relationship.
